

KAMES FISH FARMING LIMITED

Hatchery and Hill Lochs Manager

This position provides a rare opportunity for a self motivated individual with some experience in management to work with juvenile Salmon and Rainbow Trout.

The three cage sites have a reputation for producing some of the best salmon smolts for a large Salmon producer. The Hatchery rears stealhead R.Trout from egg to transfer to sea at 120 grams, where they are then grown onto 4kg at our sea and loch sites.

The successful applicant would ideally have several years' fish farming experience. They will be enthusiastic and able to demonstrate experience of working effectively within a small team.

The company is currently going through a phase of expansion, with that comes excellent career prospects and the potential to become fresh water manager in the future.

The manager will be responsible for the daily running of the four farms, record keeping, planning and ensuring compliance with the various certification schemes.

A full driving license is essential, preferably with B+E (Trailer).

£24,000 to £27,000 per annum + competitive package dependent on experience, skills and knowledge.

Closing date 31st August 2018

Please send your CV with qualifications and accompanying letter to:-
