

## **FISH FARMING VACANCY – ACCOMODATION PROVIDED**

10 May 2019

A vacancy has arisen for a permanent full-time Site Manager at SelcOTH Fisheries Ltd.

We are well-established independent rainbow trout farm with a hatchery and two fingerling sites. The farm is set in the unspoilt Moffat Water valley in Dumfriesshire and is run as a modern, professional and forward-thinking family business.

You would be responsible for a range of activities including;

- Fish husbandry & daily routines
- Fish grading, transporting and dispatching
- Site management, equipment maintenance & site improvements
- Alarm call-outs and emergency procedures.

You would be working alongside a team of four full-time and two part-time fish farm employees and would be expected to be personable and communicative with a strong sense of reliability, self-motivation and self-organisation. Candidates should have previous experience in fish farming and a full UK recognised driving licence. We are also very interested in candidates with practical and mechanical experience.

The following skill sets are required / desired:

<b>Skill/ Experience</b>	<b>Desired/ Essential</b>
Previous fish farming experience	Essential
Previous site management experience	Desired
Full driving licence	Essential
Fork Lift Truck Experience/ Ticket	Desired
Good organisational skills	Essential
Strong communication skills (written and verbal)	Essential
Practical mechanical skills	Desired
Proven experience in task and job organisation	Desired

We are offering a competitive package according to experience with the additional benefits of a four-bedroom cottage, council tax, pension and discretionary company bonus all included. We welcome employee's families and there are already young children living on and around the farm.

If you are interested in the role please send your CV to [shararoutledge@selcOTHfisheries.com](mailto:shararoutledge@selcOTHfisheries.com). Please also provide a covering paragraph within your email with a description of your current situation, your relevant experience and why you are interested in this particular role.
